

Purpose:

The purpose of this system is to provide an online platform for customers to make appointment with the coach and at the time they want. First customers need to ask staffs to create accounts for them, after requiring their account, they can make recharges through the Internet via WeChat Pay or Alipay, or they can recharge on the counter. Once it's confirmed, staffs will help in modifying the quota. Customers are able to make appointments online and search for coaches' information.

Target customers:

Our system is made to help in reducing customers' time waste and make staffs manage the gymnasium in an efficient way. Also it provide a platform for coaches to show their strengths.

Aim:

To help in reducing customers' time waste while making appointments and to provide a platform for them to gain coaches' information.

To manage the gymnasiums in an efficient way.
